Continued provision of an after-school club 'Forces Friends' for our service pupils to attend alongside one another to develop community and support for a variety of circumstances	An after-school enrichment club for service pupils has proven to promote positive attitudes towards school enabling our service pupils to feel part of a community and able to celebrate their service status. This has proven to be particularly successful for those pupils who have moved into area mid-term and mid school as they are able to quickly develop a support network.	Termly attitudinal surveys.
