After School Clubs for KS2 – Enrichment Opportunities

Dear Parents and Carers

After half term, we would like to introduce some additional enrichment opportunities for our pupils, in the form of after school clubs. These clubs will be organised and run by members of the Junior School staff, they will be free of charge and each club will run for a period of 5 weeks. Clubs will start straight after school at 3:00pm and end at 4:00pm, unless otherwise indicated*.

We are also running a Young Carers Group again this year. If you have previously registered your child for this group, there is not need to do anything further. If you believe your child may be a young carer, and you have not yet registered them, please do so by contacting the school office who will notify Mrs Wilby. We will be sending information out regarding these sessions later on in the school year. Please note, this club is not included as your one choice. Your child is welcome to request a place at an additional club.

Booking for all clubs is now open.

Please select your first three preference clubs from the list above and then [click here, or scan the QR code below](#) to register your interest. All clubs run for 5 weeks. Each club has a limited number of spaces. If you are not successful in gaining a space at your first choice of club, you will automatically be considered for a space at your second and then third choice of club. If you are successful in gaining a space at a particular club, you will receive a **confirmation email on Monday 30th October 2023 by 3pm**. Please do not otherwise assume you have a space. If you do not receive a space at any club, you will automatically be added to a waiting list and contacted should a space become available. When booking, you will be committing your child to all 5 sessions. Once booked, if your child is unable to attend a session, there is an expectation that you will inform the lead member of staff. You are able to do this by emailing the School Office: solentjunior@thesolentschools.org If they miss more than one session, their place will be withdrawn and offered to another pupil from the waiting list.

Please keep the 'confirmation of booking information' email safe and write the dates of your child's club on your calendar to avoid missing any sessions which may result in your child losing their space.

Lastly, if you are one of our wonderful volunteers, having completed the volunteer application process in full, and would like to help out at one of the clubs, please approach the school office for further information.

As always, thank you for your continued support and enthusiasm.

Mrs L Peterkin-Aldred

Head of School
